## Best Kind of Help Is the Kind That Helps Most

Do sit down to and enjoy a well balanced meal fully appreciate required of the good housewife in its planning and preparation. It is not a mere knack to plan twenty-one meals a week with the variety to appease numerous finicky appetites. But, such is the problem.

Deal with your problem Madam! That's one of our duties and we do it promptly, courteously and cheerfully.

On the expense dial, these weekly specials offer another kind of

### HIGH INSURANCE RATE AT LOCAL SANATORIUM

#### Insurance Agents State That Buildings Could Have Been Made Fire-proof Without More Expense

Insurance agents representing big eastern companies, who came here recently to look over the group of Sanatorium buildings before submitting estimates for insuring the new structures, say they have been surprised to find that on account of the combustible construction of the upper story of each building the rate they must quote will be about twice that they could have given the State if the upper stories were of stone. Nor would it have been as expensive, they declare, to have used stone in constructing the upper stories, as well as the first ones, for the ground upon which the hospital stands is a natural quarry and would have produced the rock at the cost of digging it out.

"We wonder why Dr. Dixon should have ordered that asbestos be used for the upper stories rather than that the stone on the ground be used to make the buildings absolutely fire-proof?" said one of the insurance men. "We do not know if Dr. Dixon is a stockholder in the Keasebey & Mattison company of Ambler, Pa., which supplied the asbestos, but we do know that Dr. Dixon and Dr. Mattison are close friends, take automobile rides together and dine together; and we wonder if some pressure wasn't brought to bear on the head of the Health Department to induce him to take such an expensive kind of material in preference to the native stone."

At the present time the contractors who did the Sanatorium work are carrying insurance to protect themselves until the State takes out policies. The contractors pay \$12.50 a thousand for one year, whereas they would have paid \$5 a thousand if stone rather than asbestos had been used in the construction. The rate to be charged the State by most of the companies which will bid will be, it is stated, in the neighborhood of \$20 a thousand for three years. It would have been half that had stone been used.—Johnstown Democrat.

## THE DEAD

soon at 10:30 o'clock the death of W. S. came at Summit, very sudden, was pectoris. The deceased was 5 years.

He was born in , and was a member of the Civil War. He went to Pittsburgh for several years. He married (his second wife) at Mt. Pleasant, Pa., the daughter of the late a well known pioneer in this vicinity. For Mr. and Mrs. Coyle, Mr. Coyle was engaged in occupation and the Pennsylvania, having been of that corporation.

He was the following the second union: of Overbrook, S. Coyle, of Akter until recently assistant postmaster at Summit at 3 p. m.

**SERIOUSLY ILL** of this place is one on the North who is chief train division. On last Friday of condition gradual and on Sunday, the local summoned Dr. J. stown and the consultation that Mr. Taylor is today, he is not

## MOOSE BUILDING WILL BE FINISHED IN EARLY FALL

### Excavation About Completed and General Construction Will Start Next Week

Now that operations are well under way members of the local lodge of the Loyal Order of Moose are watching with keen interest for the various stages of the construction of their new home on Ashcroft avenue. As the work proceeds it daily augments the interest displayed by the members in their anticipation of future pleasant evenings in their own home.

The excavation for the basement of the building is just about completed and it is expected that work on the foundation will commence next week. The contractors expect to have the building ready for occupancy in the early fall. At that time the building will be two stories in height, but provisions have been made to add a third story to the building at some future time.

A nickelodeon, or theatre, will comprise the greater portion of the first, or street, story, with a seating capacity in the auditorium of 375. The stage will be so arranged as to be available for moving pictures and small theatricals, and a large, spacious lobby is planned at the entrance to the auditorium.

The other half of the first floor will be a large store room, which can be sub-divided into two or three store rooms as may be desired by tenants.

The entire second story will be devoted to dancing and other social purposes. The dance floor, 42 feet by 90 feet, will be one of the best constructed dancing floors in this county. When used for lecture purposes it will have a seating capacity of 700. Toilet rooms for both ladies and gentlemen, a kitchen and serving room will be arranged in the rear of the hall. Entrances to the hall on the second floor will be made from both the main street and from the alley in the rear. These entrances will be so arranged as not to interfere with the tenants on the first floor.

At the present time the basement will not be completed entirely, but will be fitted to accommodate social features of the organization at some future time.

The building will be lighted by

## MANY ATTEND PICNIC

Hundreds of people, ranging in age from the little tot, in its mother's arms to the gay grandaie, enjoyed the picnic held here Saturday evening in Maplewood, the new amusement park. The dance was delayed until 9:45 o'clock owing to the fact that a piano could not be secured in time. An organ was finally borrowed from a nearby residence and when the five-piece orchestra struck up the first lively two-step the dancers promptly started to make up the lost moments.

Although dancing was the principal amusement, everybody enjoyed the refreshing mountain breezes that sang through the trees. The refreshment stands were also busy and automobiles kept continually buzzing to and from the grounds.

## LOCAL MERCHANTS WANT TRADE TOUR

A meeting of the businessmen of this place will be held this evening in the First National Bank hall for the purpose of arranging an automobile trade tour through the north of the county. The purpose of this trade tour, of course, is to boom Cresson and endeavor to draw trade to the town from other surrounding towns. Last year several attempts were made to organize and carry out a successful trade tour and a number of local business houses expended considerable money and time making preparations for the event, but the tour never came off. Rain, bad roads and other reasons were said to be responsible for the failure.

This year, however, it is expected that a very energetic effort will be put forward and as there are many more automobiles in Cresson this year, and everybody likes to ride 'em, it is quite probable that a very successful trade tour will be the result.

All business men of the town are requested to be present at the meeting in the Bank building tonight to discuss and offer suggestions for the proposed trip.

## CHURCH NOTICE

Presbyterian Church.  
The order of services in the Presbyterian church Sunday, July 20th: Sunday school at 10 a. m.  
The sermon by the pastor, the Rev.

## STATE HEALTH COMMISSIONER VISITS SUMMIT SANATORIUM

### Accepts Cottages and Barn Constructed by Altoona Firm

Dr. Samuel G. Dixon, state commissioner of health, accompanied by Architect George S. Welsh of Wilkes Barre, C. A. Emerson, assistant chief engineer of the health department, and F. W. Brandt of the Altoona Construction company, paid a visit to the tuberculosis sanatorium near here Wednesday afternoon of this week. Dr. Dixon and his party were escorted around the building and grounds by Dr. Turnbull, who is in charge of the institution. The health commissioner expressed his pleasure at the manner in which the sanatorium is being conducted and also stated that he was anxious to have the outdoor work, such as cleaning and beautifying the grounds, completed as soon as possible. He accepted officially the barn and cottages constructed by the Altoona Construction company.

At the time of the doctor's visit Wednesday Governor Tener had not yet signed the bill passed by the legislature for the appropriation to the Health Department of funds with which to complete the proposed west ward at the new institution. It was expected that the governor would sign the bill either yesterday or today, when plans would immediately be begun for the construction of the west ward.

## Large Rattler Caught

Wednesday workmen at the tuberculosis sanatorium near here caught a large rattlesnake alive in front of the east ward building of the institution. A number of cows were grazing near where the men were working and W. T. Hepting, foreman for the firm of Everets & Oberdear, heating contractors, sent a 17-year-old boy to drive the cattle away. As the boy was chasing the cows he saw the large snake and stunned it with a blow with a club. He carried the poisonous reptile to the foreman, who drew its fangs and placed it in a barrel. The men will endeavor to keep it alive. The snake is four feet long and about eight inches in circumference. It has 13 rattles. Another rattler, having 10 rattles, was killed near the institution last week.

...the work proceeds it daily sus-  
tains the interest displayed by the  
members in their anticipation of fu-  
ture pleasant evenings in their own  
home.  
The excavation for the basement  
of the building is just about complet-  
ed and it is expected that work on  
the foundation will commence next  
week. The contractors expect to  
have the building ready for occupa-  
ncy in the early fall. At that time  
the building will be two stories in  
height, but provisions have been  
made to add a third story to the  
building at some future time.  
A nickelodeon, or theatre, will  
comprise the greater portion of the  
first, or street, story, with a seating  
capacity in the auditorium of 375.  
The stage will be so arranged as to  
be available for moving pictures and  
small theatricals, and a large, spac-  
ious lobby is planned at the entrance  
to the auditorium.  
The other half of the first floor  
will be a large store room, which can  
be sub-divided into two or three  
store rooms as may be desired by  
tenants.  
The entire second story will be de-  
voted to dancing and other social  
purposes. The dance floor, 43 feet  
by 90 feet, will be one of the best  
constructed dancing floors in this  
county. When used for lecture pur-  
poses it will have a seating capacity  
of 700. Toilet rooms for both ladies  
and gentlemen, a kitchen and serving  
room will be arranged in the rear of  
the hall. Entrances to the hall on  
the second floor will be made from  
both the main street and from the  
alley in the rear. These entrances  
will be so arranged as not to inter-  
fere with the tenants on the first  
floor.  
At the present time the basement  
will not be completed entirely, but  
will be fitted to accommodate social  
features of the organization at some  
future time.  
The building will be lighted by  
electricity and heated with steam. It  
will also be fitted with pipes for nat-  
ural gas.  
The construction of the exterior  
will be red brick with stone trim-  
mings.  
The Moose Lodge will use the sec-  
ond floor for lodge purposes when  
the building is first completed, but it  
is the ultimate intention of the or-  
ganization to construct a third story  
at some future time, when the entire  
third floor will be devoted to pur-  
poses of the Order only.  
A water color sketch of the build-  
ing is now on exhibition in the E. L.  
Study drug store.  
By special dispensation from the  
Grand Lodge the charter of the or-  
ganization will be opened next week  
for a period of 60 days, when it is  
expected that the present large mem-  
bership will be further increased.

Prayer meeting at 7:30 o'clock.  
Thursday evening at 7:30 o'clock.  
A cordial invitation is extended to  
all to attend these services.

sanatorium near  
here Wednesday afternoon of this  
week. Dr. Dixon and his party were  
escorted around the building and  
grounds by Dr. Turnbull, who is in  
charge of the institution. The health  
commissioner expressed his pleasure  
at the manner in which the sanator-  
ium is being conducted and also stated  
that he was anxious to have the  
outdoor work, such as cleaning and  
beautifying the grounds, completed as  
soon as possible. He accepted official-  
ly the barn and cottages con-  
structed by the Altoona Construction  
company.

At the time of the doctor's visit  
Wednesday Governor Tener had not  
yet signed the bill passed by the leg-  
islature for the appropriation to the  
Health Department of funds with  
which to complete the proposed west  
ward at the new institution. It was  
expected that the governor would  
sign the bill either yesterday or to-  
day, when plans would immediately  
be begun for the construction of the  
west ward.

### Large Rattler Caught

Wednesday workmen at the tuber-  
culosis sanatorium near here caught  
a large rattlesnake alive in front of  
the east ward building of the institu-  
tion. A number of cows were graz-  
ing near where the men were work-  
ing and W. T. Hepting, foreman for  
the firm of Everets & Oberdear, heat-  
ing contractors, sent a 17-year-old  
boy to drive the cattle away. As the  
boy was chasing the cows he saw  
the large snake and stunned it with  
a blow with a club. He carried the  
poisonous reptile to the foreman,  
who drew its fangs and placed it in  
a barrel. The men will endeavor to  
keep it alive. The snake is four feet  
long and about eight inches in cir-  
cumference. It has 13 rattles. An-  
other rattler, having 10 rattles, was  
killed near the institution last week.

### 43RD DEATH AT SANATORIUM.

Starry Bryok, an Italian aged 21  
years, died Saturday last at the tu-  
berculosis sanatorium near here.  
The deceased was born in Italy and  
came to this country while very  
young. The greater part of his life  
in the States was spent at Shamokin,  
Pa., where the body was shipped for  
burial. This was the 43rd death at  
the institution since it was opened  
January 1st of this year.

### METHODIST DAY.

Thursday, July 31, at Lakemont  
Park, Altoona, Pa., the annual Meth-  
odist reunion will be held. Sermon,  
11 a. m., by the Rev. John D. Fox,  
D. D., of Harrisburg, Pa.; afternoon  
platform meeting and address by Sec-  
retary Robert Forbes, D. D.; evening  
meeting a fine musicale. Excursion  
rates and trains; see the notices at  
dent of Amela...

faithful performance of his duties in the sum of \$13,000. Council accepted his bond with the following bondsmen: Burgess J. S. Willis, Edward C'Drien and J. P. Connelly. The tax collector also received the tax duplicate for 1913 and is now ready to receive payment for all borough and school taxes. Mr. McCardell was exonerated for a list of delinquent taxes for 1912 in the sum of \$117.04. In the large majority of cases of delinquent taxes the atxables had left town or were deceased.

Auditor William A. Little attended the meeting and asked Council their intention relative to the payment of bills previously presented by the three auditors of the borough in the sum of \$14.00 each. Council informed Auditor Little that they would "stand pat" on their previous request that the auditors make affidavit to their bills. Auditor Little stated that new bills would be made out and sworn to.

Mrs. Eli T. Connor, a former resident of Cresson, was notified by Council that a sidewalk along her property on Ashcroft avenue needed repairing and that unless the matter was attended to the borough would make the repairs and collect payment and costs.

### YOUNG TRACKMAN FATALLY INJURED

Hit by Fast Going Freight Train Near Lilly

Vincent Calligio, a young Italian trackman employed by Foreman J. C. Stahley of Lilly, was struck by Local freight Wednesday afternoon at 4:45 o'clock, near Lilly, and horribly injured. He died at 11:30 Wednesday night.

Calligio was working with a gang of his fellow-countrymen on a west-bound passenger track during the afternoon, east of the town, and when Local freight bore down upon the gang all but the unfortunate Italian managed to step out of its path.

Calligio was struck by the pilot and thrown thirty feet or more into the air, alighting on his head. Foreman Stahley and gang picked the man up and placed him on train No. 98 and he was taken to the Altoona Hospital at 6:30 o'clock. An examination of the man disclosed that he had sustained a fracture of the skull and part of the frontal bone had been jammed back into the brain. Many lacerations and bruises were found on the body and one arm was possibly fractured at the wrist. Calligio was 24 years of age and was unmarried. He showed great vitality despite the terrible injuries.

FORMER CRESSON YOUTH MARRIED AT 17

### CONSTABLE BROLLEY SERIOUSLY INJURED

Collarbone and Several Ribs Are Broken When Buggy Upsets

Constable William J. Brolley of this place was the victim of a serious accident while driving from a picnic at Summit last evening. In company with Constable John Bell of Summit, Constable Brolley was driving the horse down the Pike road, when in some manner the vehicle was overturned. Mr. Brolley received a heavy fall and his collar bone and several ribs were broken. Constable Bell escaped injury.

Constable Brolley was hurriedly taken to the office of Dr. Lynch here for treatment. The doctor worked nearly two hours setting the fractures.

### SANATORIUM PASTOR PROJECT IS APPROVED.

At Meeting Held Here Last Sunday the Matter Was Put in Committee's Hands.

Representatives of the Sunday schools in District No. 3, Cambria County Sunday School association, met here Sunday afternoon upon the call of President J. E. Lowery of Lilly to discuss the proposition to secure a minister for the State Sanatorium. It was the consensus of opinion that Cambria and Blair counties can support a minister for the sanatorium and the matter was placed into the hands of the Revs. J. H. Cassady of Johnstown and B. C. Shaw of Wilmore, to be brought before the Cambria County Church Federation.

The subject was discussed Sunday by the Rev. Mr. Hall, pastor of the local M. E. church, and the Messrs. Judge, Lowman, Ruffly and Ling. The next meeting will be held at the call of the president, Mrs. T. D. Dingwall is secretary of District No. 3.

### COAL DEAL BREWING IN NORTH OF COUNTY.

A Pittsburg real estate man named Carboy came to this county recently and has since been engaged in seeing the farmers in what is known as the Bradley Junction coal field with a view to obtaining options on their holdings.

This same field was under option to Kirsch Bros. of Nicktown up until July 1, when the options expired. The Messrs. Kirsch were unsuccessful in their efforts to interest capital in this deal, understanding they had gotten together a large field in what was considered the best location.

Other gentlemen have at different times had the field under option, but so far none has succeeded in disposing of it.

ness to this municipality. The trip will be made in automobiles, next Tuesday. Quite a number of business men and others of the town have begun preparations for the trip. Any citizen of the town is welcome to join in the tour. They will start from the Postoffice on First street at about 7:30 o'clock next Tuesday morning and it is proposed to visit the following towns: Amsbury, Ashville, Dysart, Dean, Frugality, Fallen Timber, Van Ormer, Flinton, Coalport, Irvona, St. Lawrence, Patton, St. Augustine, Chest Springs, Loretto, Ebensburg.

According to present plans the party will take dinner at Irvona and supper at Ebensburg. In case of rain or bad roads the trip will be postponed until the following Tuesday.

### SCHOOL BOARD MEETS.

Books Purchased for the Next Term of School.

Members of the Cresson Borough School Board met in special session in the school building last Monday evening and purchased new text books to replace those worn out during the last term of school. At a previous meeting the school board re-elected the principal, assistant principal and all teachers of the past term.

### CHURCH NOTICE

Methodist Episcopal Church. Sunday, July 27, order of services: Epworth League at 6:30 p. m. Subject, Mid-summer Loyalty and Its Rewards."

Preaching service at 7:45 p. m. Subject, "Citizenship." Prayer meeting Thursday evening at 7:30.

A hearty invitation is extended to all to attend these services.

JOHN HALL, Pastor.

First Presbyterian Church. The order of services in the Presbyterian church Sunday, July 27th: Sunday school at 10 a. m.

sidewalls of earth. Similar damage was done in other parts of town.

**FIREMEN'S CONVENTION AT HASTINGS BIG EVENT.**

Chief of Police Kenny of Cresson is Elected a Vice President; 1914 Convention at South Fork.

The greatest crowd that ever attended a convention of northern Cambria county firemen was in Hastings Wednesday—the "big" day of the 1913 convention—but about 2 o'clock the rain began to fall in torrents and drove many of the visitors home, as well as kept many hundreds from going to the town. The same night, however, the rains had ceased and a carnival crowd held high revel on the streets. In the opinion of a great many the convention was the best yet held.

Ebensburg's habit of running off with prizes, begun some years ago, was repeated. The county seat's particular triumph was the winning of the band contest. Under the direction of E. H. Davis, the Ebensburg band played in a manner that left no doubt as to where first honors should go. It won first prize of \$50. Portage, which was second, won \$35; and Barnesboro, third, got \$15. Other prizes won Wednesday were:

Company having largest number of men in line in uniform, Ebensburg, prize \$20.

Fattest man in line, Ebensburg, \$5.

The "fattest" man was E. J. Luther.

Tallest man in line, Ebensburg, \$5.

He was D. R. Ritter.

Company bringing best drum corps, Carrolltown, \$5.

Company having shortest fireman, North Barnesboro, \$5. The midget was Vincent Glass.

Company coming greatest distance in uniform (not less than 25 men), South Fork, \$10.

Best drilled company, Carrolltown, \$10.

Best appearing company in line, Patton, \$15.

Barnesboro won the hose race and the hub race, capturing two first prizes of \$35.

Herr of the Barnesboro Volunteer Fire company and Myers of Ebensburg were first and second in both the 100-yard and 200-yard dashes. In the first there were eight entries, necessitating trial heats.

At the session Tuesday afternoon Lester Larimer was elected president of the association; L. E. Kishbaugh of South Fork, first vice president; B. B. Kenny of Cresson, second vice president; George E. Hipps of Carrolltown, secretary, and Bert Buck of Hastings, treasurer.

It was decided to hold the convention for 1914 at South Fork. A number of the other towns were in the contest for the next meeting.

used as a receptacle for the storage of gasoline. The larger one contains oil.

8/8/13

**ENGINEERS INSPECT HEATING CONTRACT AT SANATORIUM**

**Other Work In Progress At Tuberculosis Institution**

Yesterday Architect George Welsh of Wilkes-Barre, Engineer of General Construction C. A. Emmerson and Engineer of Electric Plant and Heating Construction Charles A. Blatchley, in company with Dr. Turnbull, who has charge of the institution, and representatives of the heating contractors, Everets & Oberdeer, visited the State Sanatorium near here and went over the heating plant. They found the work pretty well completed, although a few minor details were found to be not quite finished, and when these are attended to it is most probable the heating plant will be officially accepted.

The State officials in charge of the work at the tuberculosis institution are beginning the work on constructing an underground conduit to carry the electric line from the power house to the pumping station. The present conduit is on the surface. They are also commencing work on a surface drainage system to carry off rain and other surface water.

A system to collect water from the springs on the sanatorium grounds is being worked out by the State officials. The 300,000-gallon reservoir at the sanatorium is now being supplied by the Bear Rock Water company. It is the intention of the sanatorium officials to corral all the water from surrounding springs and turn it into the large reservoir by means of a pumping station. From the large reservoir the water will be run through a sand filtering system into a smaller reservoir for general use at the institution. It is the belief of those in charge of this work that enough water can be obtained in this way to supply the institution ten months in the year.

The members of the Cambria County Undertakers' Association, who met in annual session here yesterday, visited the sanatorium in a body yesterday.

Get results through Record ads.

**THIS BANK**

be represented in the trade tour was handed in at The Record Office yesterday:

S. A. Crawford, C. J. Hogue, B. S. Seeds, Joseph Thorp, Woodman Lumber Company, Charles Richner, Gross Department Store, Sperry Clark, E. L. Study, Stouck Candy Company, A. C. Shettig, I. Paul, Commercial Hotel, Joseph King, Central Hotel, Moose Lodge, Cresson Springs Brewery, E. J. Cleave, Keystone Hotel and First National Bank.

Following is the proposed route:

Leave Cresson for Wilmore, via Lilly, Cassandra, Jamestown (dinner at Wilmore), leaving Wilmore for Vintondale, via Summerhill, to Nant-y-Glo, Twin Rocks, thence to Strongstown, White Mills, Beisano and home, via Ebensburg—a distance of 55 miles. In case of rain, the trip will be postponed one week.

**THREE ARRESTED AT LILLY.**

Constable David George of Lilly on Tuesday evening arrested three young men giving the names of Hines, Warner and McCloskey, on charges of fracturing the borough speed ordinance. The youths went to Lilly on Tuesday evening with two rigs which they had hired of Liveryman Dugles of Gallitzin. When taken in tow they were trying out the speed of the horses on the streets. Mr. Dugles went after his outfits Wednesday morning and probably will prefer an additional charge against the trio.

**CHURCH SUPPER.**

A supper will be served by the Ladies' Aid society of the Methodist Episcopal church at this place next Thursday evening, beginning at 5 o'clock. The supper will be served in the basement of the church. Tickets are 50 cents. The public is cordially invited.

Dr. C. C. Dick, eye specialist, of Altoona will be at Dr. Prideaux's office, to test eyes and fit glasses, on Thursday, Aug. 14th, from 2 to 5. Best service. Prices reasonable.

**MR. McDERMOTT SUFFERS STROKE**

James C. McDermott, Sr., of the Mountain House grounds on Monday evening suffered a stroke of paralysis and has since been confined to his home in a serious condition. Mr. McDermott is a passenger conductor on the Cresson Division, P. R. R. His sudden illness is a surprise to his relatives and many friends here.

# AMBRIA COUNTY RECORD.

AMBRIA COUNTY, P.A., FRIDAY, NOVEMBER, 28 1913

## STATE SANATORIUM TO BE ENLARGED SHORTLY

State Health Commissioner Dixon Here Tuesday

That the state sanatorium near here will be enlarged within a short time was the statement given out Tuesday by State Health Commissioner Samuel G. Dixon, who spent that day at the local institution.

Dr. Dixon said: "Additional floor space has become an absolute necessity here. We really need the room now. Had it not been for the fact that our appropriation was cut so much by the legislature, we would have been able to carry out the improvements we had contemplated for 1912. Our appropriation was reduced almost \$300,000 and with the big amount of money that it required for maintenance of institutions like this or the Mt. Alto sanatorium we were able to do but little in the way of improving our facilities."

Dr. Dixon stated that within the next ten days he would be able to say when the work of enlarging the sanatorium here would begin. He said that it was likely that the erection of a west wing would be begun by the early part of next spring.

The new addition is to correspond in architectural design with the original buildings. The model will be followed to the smallest details. The new west wing will make the sanatorium one of the largest in the United States.

Dr. Dixon expressed himself as being much pleased with the work that has been done here this summer.

"I am very much pleased with our water system," said Dr. Dixon. "We are fortunate in the fact that he have water that will rank with the best to be found anywhere in the country. Our system is a model. I don't think there is a better one in the state."

In speaking of the tuberculosis exhibits that are being conducted in various towns throughout the state, the health commissioner said that the increase in the interest that is being taken in the work was remarkable.

Several years ago only a few persons ever attended the exhibits, which were given only in the larger cities and towns. This year exhibits are being given in the smallest communities as well as in the cities.

Dr. Dixon said that the exhibits and lectures were well attended.

## CARROLLTOWN HAS SECOND BAD FIRE

Combined Store and Dwelling Burned Hard Work Saves Big Building

Carrolltown was visited by fire at nearly four yesterday morning and the two-story frame building owned by E. M. Binder, of Barnesboro, and occupied as a store and dwelling by John Wroblecky was burned to the ground. That other and larger buildings were not destroyed was due to the effective work of the Carrolltown firefighters. The big store of the Cambria Supply company, a two-story frame building, only 12 or 15 inches from the burning building, was saved, although it was badly scorched.

The fire broke out about 2:15 o'clock in the rear of the little store, where there was a big stove. Whether there was any fire in the stove is not known at this time. The Wroblecky family went away Wednesday morning and had not yet returned yesterday. They lived in a part of the building, which was unoccupied when the fire broke out.

Nothing in the building was saved. The Cambria Supply company store, a two-story frame building, was on fire several times. The loss would have been considerable had it burned to the ground.

A dwelling house owned by P. M. Swope and occupied by P. C. Gibbons and family was in danger but was saved, although the windows on one side were broken by the heat.

Mr. Binder valued his building at about \$1,000. He carried insurance of \$700.

This was the second fire in Carrolltown within the past three months. Several buildings were burned down by a fire September 11.

The big plant of the Carrolltown Planing Mill company, owned by P. M. Swope, was in danger of being fired by sparks and burning shingles blown into the millyard. The firemen, however, kept streams of water playing on the mill and lumber and prevented a big conflagration. The planing mill is only 50 yards in the rear of the burned building.

The families of John Kibler, William Eck, and E. M. Nelson, on the opposite side of the street from the burning structure, moved out but their residences were saved.

## LOCAL WEDDINGS

Davis—Eckenrode

Charles Davis, brother of H. I. Davis of this place and employed at the local car shops, was yesterday morning united in marriage to Miss Bernadette Eckenrode, of Moxh. The ceremony took place in one of the Catholic churches in Johnstown. The bride, who was a former resident of Munster township, is well known here. Charles Davis is also a popular young man of this place and the newly married couple have the well wishes of a host of friends here. They will make their home in Cresson.

Bowman—Ryan

Miss Mary Ryan, daughter of Mr. and Mrs. Joseph Ryan, of the Union House, Lilly, and Ralph Bowman of Wellsburg, W. Va., were married Tuesday evening at the rectory of St. Bridget's Catholic church, Lilly, by the Rev. Father Jerome L. McQuillen.

The attendants were Miss Eleanor Horn, of Johnstown, and John Ryan, a brother of the bride. After the ceremony, a most elaborate dinner was served at the Union House in Lilly. The dining room was beautifully decorated in shades of pink and white, and with chrysanthemums and white roses. A number of friends and relatives of the couple were present. The couple are now spending a honeymoon in West Virginia.

The bridegroom is employed by the People's Natural Gas company at this place. His bride has many friends in Lilly and vicinity. Their plans for the future have not been announced.

Hydick—Hertzog

Another wedding which took place in St. Michael's church, Loretto, yesterday morning was that which united Miss Loretto Hertzog, of that place, to John Hydick, of Ashville.

Callahan—Sweeney

John Callahan and Miss Margaret Sweeney both of Lilly, were married at 7:30 o'clock by the Rev. Father Jerome L. McQuillen, pastor of St. Bridget's Catholic church at Lilly. They were attended by Miss Cecelia Sweeney, sister of the bride, and Ellsworth Hoover, both of Lilly.

The bride is a daughter of Mr. and Mrs. Edward Sweeney. The bride-

Church  
will be con-

hibits that are being conducted in  
various towns throughout the state,  
the health commissioner said that the  
increase in the interest that is being  
taken in the work was remarkable.

Several years ago only a few per-  
sons ever attended the exhibits,  
which were given only in the larger  
cities and towns. This year exhibits  
are being given in the smallest com-  
munities as well as in the cities.

Dr. Dixon said that the exhibits and  
lectures never fail to attract record  
crowds and that the demand being  
made upon the health department for  
exhibits was more than could be  
handled at present. The department  
has a large force of men touring the  
state at present conducting exhibits  
and giving lectures.

The health commissioner praised  
the teachers for the interest they  
were instilling into the children. He  
said that much good would certainly  
grow out of the lessons in treatment  
and prevention of the dreaded tuber-  
culosis which are being given to the  
pupils in the schools throughout the  
state.

Dr. Dixon has been ill, having been  
confined to a hospital in Philadelphia  
for some time. He has fully recov-  
ered from his illness and is rapidly  
regaining his old-time vigor.

#### EHRENFELD DISTRIBUTES TURKEYS TO EMPLOYEES

George Ehrenfeld, supervisor for  
the Pennsylvania railroad at Gallit-  
zin Wednesday distributed a large  
number of turkeys to the men em-  
ployed under him. The turkeys were  
shipped to the men's homes Wednes-  
day morning. Mr. Ehrenfeld was  
recently awarded the first prize by  
the Pennsy officials for having the  
best kept section of the Pennsy main  
line.

company, owned by P.  
M. Swope, was in danger of being  
fired by sparks and burning shingles  
blown into the millyard. The fire-  
men, however, kept streams of water  
playing on the mill and lumber and  
prevented a big conflagration. The  
planing mill is only 50 yards in the  
rear of the burned building.

The families of John Kibler, Will-  
iam Eck, and E. M. Nelson, on the op-  
posite side of the street from the  
burning structure, moved out but  
their residences were saved.

The fire was discovered by John  
Kelly, manager of the Kelly Orchestra,  
who was returning to his home in  
Carrolltown. He ran to the munici-  
pal building and rang the fire bell.  
A boy who stays in the Cambria Sup-  
ply company's store, was awakened  
and aroused the immediate neighbor-  
hood with five shots from a revolver.  
The chimes at St. Bridget's church  
were sounded and the bell on the  
schoolhouse rung. Within a few  
minutes the entire population of the  
town was aroused.

#### UNUSED PENNSY TICKETS RE- DEEMABLE AT LOCAL STATION

To make it as convenient as possi-  
ble for passengers to redeem unused  
railroad tickets, the Pennsylvania  
railroad has established a rule which  
provides that the return portion of an  
excursion ticket may be redeemed at  
the ticket office at which it was  
bought, if presented by the original  
purchaser.

Until recently, if one wished to re-  
deem any Pennsylvania railroad tick-  
et, it was necessary to forward it to  
the general passenger agent at  
Philadelphia, with attendant delay.  
On August 7th, the company announced  
that, to make it more convenient  
for passengers to redeem railroad  
tickets, it has established a rule that  
a wholly unused ticket may be re-  
deemed by the original purchaser at  
the office at which it was bought.  
Now this privilege will be extended  
to passengers holding unused return  
portions of excursion tickets.

Loretto Hertzog, of th  
place, to John Hydick, of Ashville.

#### Callahan—Sweeney

John Calahan and Miss Margar  
Sweeney both of Lilly, were marrie  
at 7:30 o'clock by the Rev. Fathe  
Jerome L. McQuillen, pastor of St  
Bridget's Catholic church at Lilly  
They were attended by Miss Ceceli  
Sweeney, sister of the bride, and Ellis  
worth Hoover, both of Lilly.

The bride is a daughter of Mr. and  
Mrs. Edward Sweeney. The bride-  
groom is a son of Mrs. Elizabeth Calah-  
han, and is employed in the mines at  
Lilly. Both are well known. They  
will make their home with the mother  
of the bridegroom.

#### Smith—Neeman

Harry Smith and Miss Gertrude  
Neeman were united in holy bonds of  
matrimony in St. Aloysius Catholic  
church at Summit yesterday morning  
by the rector, Father Dwyer. The  
attendants were Miss Fannie McCann  
of this place and Barkley Smith, a  
brother of the groom.

The bride, whose parents live near  
Pittsburgh, had been making her  
home with relatives at Summit. Har-  
ry Smith is the son of Mrs. Hannah  
Smith of Sankertown. He is em-  
ployed in the office of Superintendent  
E. J. Cleave of the Cresson division,  
P. R. R. and is well known here.

The young couple left shortly after  
the ceremony for New York City. Up-  
on their return they will go to house-  
keeping in Sankertown.

#### Stuhl—Kittell

In St. Michael's Catholic church at  
Loretto yesterday morning the Rev.  
Father Ferdinand Kittell performed  
the ceremony that united for life  
Miss Mary Kittell, of that place, to  
Joseph W. Stuhl, of Latrobe. The  
former was for some time a resident  
of this place. From here she went  
to Latrobe, where she met Mr. Stuhl.  
The young couple will make their  
home in Latrobe.

#### LOCAL COAL COMPANY WANTS MORE MINERS

All the plants of the Pennsylvania  
Coal & Coke corporation are busy  
and more miners could be used, if  
they were available. A-HERE THE  
demand for Pennsylvania coal contin-  
ues very brisk and the outlook was  
never better, so far as concerns this  
corporation, at least.

#### NOTICE

Dr. C. C. Dick, the eyesight special-  
ist of Altoona, will be at Dr. H. T.  
Prideaux' office here Thursday, Dec.  
4th from 2 to 5 p. m., to test eyes and  
fit glasses. Prices reasonable.

### 9/11/14 CHURCH NOTICE

#### Methodist Church

The following services will be conducted in the Methodist Church next Sunday:

Sunday school at 2:00 p. m.  
Preaching service at 3:00 p. m.  
At this service the Sacrament of the Lords' Supper will be administered.  
Epworth League at 7:30 p. m.  
A cordial invitation is given to all to attend these services.

JOHN HALL, Pastor.

#### Presbyterian Church

Services at the Presbyterian church next Sabbath will be as follows:

Sabbath School at 9:45 a. m.  
Preaching services at 11:00 a. m.  
Topic—"If Jesus Were Here."  
W. E. Society services at 6:45 p. m.  
Preaching services at 7:30 p. m.  
Topic—"The Door Was Shut."  
Prayer service every Wednesday at 7:30 p. m.

The Pastor will preach at the Sanatorium on Sabbath afternoon at 3:00 o'clock.

A cordial welcome to all these services.

J. S. HELM, D. D. Pastor.

#### CARD OF THANKS

We wish through the columns of this paper to thank the friends and neighbors who showed us so many kindnesses during the sickness and death of our dear mother, Grace P. Montgomery.

Mrs. H. W. Hill and family.

#### OPENING OF NEW SANATORIUM WILL CUT WAITING LIST

Dr. W. G. Turnbull, superintendent of the State sanatorium here, says that the opening of the new sanatorium at Hamburg next month will greatly cut down the waiting list of the Cresson Institution and that the local hospital will be better enabled to take care of the sufferers in this part of the state.

#### NEXT WEEK AT THE CAMBRIA THEATRE

Visitors from this place and surrounding district who are in Johnstown next week in attendance at the Fall Fashion Festival will find offerings at the Cambria Theatre calculated to please any class of theatergoers. The week's bill is a varied one.

On Monday, continuously afternoon and evening, there is a 3-reel picture of "Peck's Bad Boy," with several other reels of interesting films. On Tuesday, afternoon and evening, there is "Potash & Perlmutter," the dramatization of the Saturday evening Post stories by Montague Glass. This is indeed an excellent attraction. Wednesday "The Tempters," a burlesque company, will play matinee and night. The last three days, with matinees Friday and Saturday, will bring "Polly of the Circus," fresh from a two-year run in New York.

Before the first curtain at "Potash & Perlmutter," and before the first curtain and between acts of "Polly of the Circus," living models from New York will demonstrate the famous Stylecraft clothes for women on the stage. This will be an original feature that should be much enjoyed.

Particular attention should be paid by local theatergoers to the Stair & Havlin attractions, which play Johnstown the last three days of each week. These are the regular \$1.50 shows priced at 75 cents.

#### LIGHT PLANT FOR "ELMHURST" COTTAGE

Mrs. Mary Copely Thaw is installing a private electric light plant at her summer home, "Elmhurst," about a mile and one-half from this place. The equipment for the light plant arrived here yesterday morning and the installation of the plant will begin immediately.

#### MOOSE THEATRE TONIGHT

Friday evening, September 11th, two big features. "The Million Dollar Mystery," also "Lucille Love." Do not miss it.

ALTOONA COUNTY, PA., FRIDAY, NOVEMBER 6, 1914

PRICE 10 CENTS

## REPUBLICANS SWEEP STATE

Penrose and Brumbaugh Have Large Majorities

Frazier and Trexler Winners in the Judgeship Election

Returns from Tuesday's election coming in from isolated sections of the state of Pennsylvania are increasing the Republican plurality in this state. The entire state ticket was elected by margins ranging anywhere from 140,000, which was Brumbaugh's plurality over McCormick, the fusion nominee for governor, to more than 200,000, which was Senator Penrose's plurality over A. Mitchell Palmer, Democratic candidate for United States senator.

Practically complete figures from all of the 67 counties showed this result on the senatorship:

Penrose, 489,346.  
Pinchot, 252,853.  
Palmer, 251,433.

On the governorship the figures were:

Brumbaugh, 562,923.  
McCormick, 422,935.  
Brumbaugh's majority, 139,988.

With the governorship, senatorship, a large majority of the congressional delegation, all control of the legislature and all the state offices vested beyond doubt in the Republicans, the chief interest today centered on the outcome of the contest for supreme court justice between Robert S. Frazier of Allegheny and George Kunkle of Dauphin. Judge Frazier was reputed to be the organization choice, but the non-partisan balloting, so far as reported makes it anybody's fight with Frazier slightly in the lead.

Judge F. M. Trexler won the Superior Court Judgeship by about 2 to 1.

### Cambridia County

In this county party politics seem to have been laid aside altogether, as the following totals will tend to show:

For U. S. Senator—Penrose, R., 7608; Pinchot, W., 7801; Palmer, D., 4028.  
For Governor—Brumbaugh, R., 9135; McCormick, W., 9784.  
For Congress—Hartman, R., 4525; Brus, W., 5695; Bally, D., 2717.  
For Legislature, 2nd district—Rees, R., 2748; Scotton, W., 4002; Cole, W., 2717.

## FIRST SANATORIUM SCHOOL IS THROWN OPEN AT SUMMIT

Local Institution Has Distinction of Being First Place in Country Where Idea Is Tried Out

The State sanatorium near here has the distinction of being selected by the health department as the place for the establishing of the first sanatorium school.

The idea of teaching children while they are undergoing treatment for tuberculosis has never before been tried out. That it is a success is already attested by the authorities here.

A small school building has been erected at the sanatorium. Sixty pupils—all patients of the sanatorium, attend. The children study about two or three hours every day. They learn to sew and to do many other useful things during school hours.

It is likely that schools like the one here will be erected at the new sanatorium at Hamburg, Pa., and at Mt. Alto.

### Other Sanatorium Notes

A big force of workmen with giant steam shovels is making progress at the excavation for the new west wing. The work was started a little over a week ago.

The big hog pen is about completed and it is one of the most modern and sanitary to be found anywhere in Pennsylvania. Just now there are 95 hogs being raised.

This winter the sanatoriums will have 1,000 laying hens. Next year this number will be doubled.

Dr. Dabarkes, the women's resident physician of the sanatorium staff has been transferred to Hamburg, Pa.

Dr. M. E. Cowen of Hastings, N. Y., successor to Dr. Wherey, arrived yesterday to assume his new position.

## FOOT BALL TOMORROW

Tomorrow Cresson High School will play the representatives of Spangler High School on the local grounds. The visiting team is of unknown strength but is said to be fast and strong. This game will determine the High School championship of the schools of Cambria county outside of Johnstown, as Cresson has defeated all the other contenders. They hope to win a decisive victory so as to clinch their claim. The game will start at 2:30, the usual admission fee being charged. The officials are as follows: Mr. W. Burd, referee;

## NEW ORPHANAGE FOR ALTOONA DIOCESE

Bishop Garvey Outlines Plans For Another Institution at Summit

The steps for the enlarging of St. John's orphanage at Summit will be taken as soon as possible; that a new building will be erected instead of an addition to the present structure, and that the people of the diocese were showing a great interest in the project, was the statement of the Rt. Rev. Eugene A. Garvey, bishop of the Altoona diocese.

The bishop says that additional floor space is badly needed and that no time will be lost in providing better facilities.

There will be no enlarging of the old building, the bishop says, but a new structure will be erected. It will be larger and more modern than the present building. The old building will be remodeled.

It is the plans of Bishop Garvey to provide two departments—one for the boys and another for the girls.

Bishop Garvey says that he is pleased with the manner in which the various parishes are responding to his appeal for assistance for the orphanage and that despite the dullness of business in the country the contributions have been exceptionally good.

Bishop Garvey will be in Johnstown Sunday to confirm a class in St. Stephen's church.

Today Moose Theatre, 14 Episode of the Million Dollar Mystery.

## REV. AND MRS. HELM IN THEIR NEW HOME

Rev. Dr. and Mrs. Helm now occupy the Presbyterian Manse. They find it a very pleasant and comfortable house. It is modern in every way, convenient and most suitable for its purpose. It is a noble monument to the people's devotion and enterprise. They may well congratulate themselves on their good work.

On last Tuesday evening the ladies of the congregation descended upon the pastor and his wife, making a short call and leaving them many evidences of their good will and kindness. The larder is now full and the prospect for the inmates winter's sustenance is bright. The feast of good things will last and be enjoyed. This is one of the pleasures that the

HT EFFORT TO HAVE  
JONES DECLARED INSANE

burgh Alienist is Called on Case  
of Horace Jones of Near Ebensburg,  
Ebensburg, Nov. 18.—Attorney P. J.  
le is sitting as commissioner with  
ry of six men, hearing the charges  
inst Horace Jones, aged about  
y, of near Ebensburg, whose rela-  
s have had him confined to the  
bria county jail on the allegation  
t he was insane. A large number  
witnesses are being examined.  
orace Jones is contesting the pro-  
dings to find him insane and is re-  
ented by Attorney William Davis.  
atives who seek to have him ad-  
ged insane are represented by At-  
ney Mathias Reed.  
When Jones was taken into custody  
the instance of some relatives he  
s found to be a walking arsenal.  
Dr. Diller of Pittsburgh, an alienist  
some note, examined Jones today.  
will be a witness at the proceed-  
s, but will not be called until the  
amination of other witnesses has  
en completed.  
Dr. Diller went through the Ebens-  
rg jail today and stated that he  
is surprised to find such a modern  
stitution, both as to equipment and  
shagement. "It is marvelous that  
ur men can take care of the jail,"  
id Dr. Diller. "From a sanitary  
ndpoint I cannot see how the jail

condition is good.

FIRST AID SAVES LIFE OF  
CARROLLTOWN BUTCHER

"Rube" Bush Accidentally Severs  
Artery and Was Bleeding to Death  
"Rube" Bush, a Carrolltown butcher,  
was saved from bleeding to death  
Wednesday when he was given treat-  
ment by a companion who was with  
him when he accidentally severs an  
artery in one of his legs.  
Bush was going into the country to  
kill some hogs for a farmer. He  
and a young man named Stoltz were  
driving in a buggy. Bush stopped his  
horse at a farmhouse and was jump-  
ing from the buggy when the horse  
gave a sudden start. Bush fell back  
into the seat and a large "sticking"  
knife was run into one of his legs.  
He suffered a great loss of blood un-  
til he was treated by Stoltz. He is  
in a serious condition.

TWO WEEKS YET FOR  
FILING OF ACCOUNTS

Ebensburg, Nov. 19.—Two weeks re-  
main in which candidates may legally  
file their campaign expense accounts.  
Lynn A. Brua and John G. Dixon filed  
their statements Tuesday.  
Lynn A. Brua declares there were  
no contributions to his expense fund  
and accounts for the expenditure of  
\$195.80, as follows.

Billy Sunday Anti-Liquor League	\$5.00
Mahlon Myers, rent for theatre	100.00
Johnstown Tribune	23.25
Valley Engraving Company	2.55
J. Milton Ashton	20.00
<b>Total</b>	<b>\$195.80</b>
John G. Dixon, Chairman of the Pro- hibition party of the county, files the first statement of that party for quite a few years, it is said. Contributors to Mr. Dixon's fund were:	
W. David Lloyd	\$ 35.00
H. H. Cupp	25.00
A. J. Oakes	25.00
Richard Scollon	10.00
Thomas Kerr	2.00
<b>Total</b>	<b>\$97.00</b>

LOCAL MOOSE WILL  
GIVE DANCE NOV. 25

The Cresson Lodge, No. 188, Loyal  
Order of Moose, will give a dance and  
card party to their members and  
friends in the Moose Hall Wednesday  
evening, November 25th. Meagher's  
orchestra of Gallitzin will furnish the  
music, and refreshments will be  
served. Prizes will be awarded to the  
winners in the card games. These  
prizes can be seen in The Cresson  
Record windows after November 22nd.

and defeated every high school team  
in the county except Johnstown. Much  
of the credit of their success is due to  
their coach, William McKinney, who  
is the assistant principal at the local  
schools.

NEW WEST WING  
AT SANATORIUM  
FOR CHILDREN ONLY

New Section Which will Have Many  
New Features. Costs \$300,000 and  
Is to Be Opened Next Spring  
The State Health department has  
decided to devote the new west wing  
of the sanatorium near here entirely  
to children patients. The new ward  
which is to cost about \$300,000 will  
have small wards, private rooms, bath  
and play-rooms.  
Dr. W. G. Turnbull, head of the  
sanatorium staff, said that it is likely  
the new wing will be opened during  
the early part of next spring. It will  
be conducted by the nurses who have  
charge of the children alone. The  
wards will hold 18 beds each and the  
advanced cases will be cared for in  
separate rooms by themselves.  
There will be many new features to  
the children's ward which will make  
the Cresson institution complete in  
every detail.

BRAKEMAN PUT BOY ON  
TRAIN THROUGH MISTAKE

A pathetic incident occurred Thurs-  
day evening of last week, when the  
evening train came in. A little three-  
year-old boy, Mr. and Mrs. Clem  
Vaught, ~~at~~ a local depot to see  
some relatives depart when the little  
tot ran among some little children  
going west and was placed on the  
train by the brakeman, who thought  
he was one of the crowd, only to dis-  
cover when he began crying for his  
mamma that none of the crowd owned  
the little curly headed chap. He was  
taken in charge by M. C. Lynch, the  
agent at Lilly, who immediately tele-  
phoned to this place and found his  
parents, who were nearly distracted,  
not knowing where he had so suddenly  
disappeared. Mr. Vaught, who is em-  
ployed as a telegraph operator, follow-  
ed on the first engine and got his lost  
boy.

FATHER McQUILLEN'S
