

COMEDY OF DREAMS

Donal Logue plays Eugene Gurkin, a graveyard-shift janitor who dreams of opening his own saloon and needs a few bucks to stake it, gathers a crew to burglarize Mick Jagger's \$52-million Manhattan apartment.

Thus is born the Knights of Prosperity, six lovable losers who, joining forces on the ABC sitcom of the same name, share newfound sticky fingers and a common lament: They can't get no satisfaction.

So "The Knights of Prosperity" (which premieres at 9 p.m. Wednesday) is a comedy about dreams - and the dreaming dreamers who dream them.

Led by Eugene, the Knights of Prosperity believe that something better lies ahead... despite loads of comic evidence to the contrary.
